

AUTHORIZATION FORM TO START YOUR PROJECT

Please Print, Fill out Form: Fax back to (602)494-1177, or Scan back to firstclasscoatings@gmail.com

Note: (Must be signed before work commences)

Thank you for selecting First Class Coatings, Inc.

I hereby authorize First Class Coatings, Inc. to enter my property or place of business to install Painting or Epoxy coating services. I fully understand that we may have entered into a verbal contract that awaits measuring or other aspects or details holding up a finalized written contract agreement to establish a final price. Once this measurement is established and a square footage is known, (Price per sq ft is guesstimated generally before we start the job and agreed upon by both parties), both First Class Coatings, Inc. and the undersigned has entered into a binding agreement for a contract establishment. This form acts as a notable pre-contract of entry. By signing this paper, you also authorize us to be on your property to complete the agreed job. Without the signing of this contract, we hold the right to not start your job. You also agree to make payment when the job is completed, or as an amended contract states differently.

Thank you for your authorization.

Please sign below.

Respectfully,
First Class Coatings, Inc.
